## EVERY MONDAY

### Taster horse riding

In the morning we head to Mareil. Two magnificent Icelandic horses are already waiting for us at the alpine farm. We then take turns riding across the alpine pastures. Of course there is also plenty of time for fun games. To round off the day we spend the afternoon at the forest playground in Ochsengarten. Today the whole family is welcome.

FAMILY DAY

## EVERY TUESDAY

### Honey adventure

An approx. 1 km walk takes us to Habichen where we meet the beekeepers Helmut & Agnes, who will show us a beehive and tell us everything worth knowing about the work of bees in a child-friendly way. At the beehive, the children will also receive a beekeeper's jacket and gloves. An eventful day for the entire family, exploring the fabulous world of bees.

FAMILY DAY

We strongly recommend to wear long trousers and closed shoes.

## EVERY WEDNESDAY

### WIDIs survival day

Hey kids! It's me, WIDI! I am really into adventure and nature. Today we will learn how to sneak through the forest on silent claws and pass tricky obstacles as a team. Our compasses will put us back on the right track. Making a fire with flintstone, a giant marble run and a lot more can be tried out today.

## EVERY THURSDAY

### Mud & splash day with Elfi the owl

Listen intently to Elfi, the little owl and today's heroine, and find out how she became the savior of the Starry Forest with same courage.

An easy walk takes us to lake Habicher See. On the way we collect things from the forest and use them to make wonderful pieces, all about Elfi's friends, the forest animals. On hot summer days we play in the mud and cool down our feet in the cold lake water. If you particularly enjoyed today, Elfi would be delighted to receive some owl post.

Don't forget to bring a towel and some spare clothes!

## EVERY FRIDAY

### Children's bread baking in the mill

12.07. – 30.08.2024

Today Max the miller invites us to his mill! From Oetz we walk by foot to lake Piburger See. Once at the mill, Max will tell us the magical mill fairytale. Afterwards the children bake their own bread together!

Minimum number: 4 children

(Outside the specified period there is a great alternative program without bread baking)
